## NURSERY SONGS

**Humpty Dumpty sat on a wall,  
Humpty Dumpty had a great fall,  
Not all the king's horses, nor all the king's men,  
Could set Humpty Dumpty up again.**

**Here we go up, up, up,  
And here we go down, down, downy,  
And here we go backwards and forwards,  
And here we go round, round, roundy.**

**Pat a cake, pat a cake, baker's man;  
So I will, master, as fast as I can;  
Pat it, and prick it, and mark it with B,  
And toss it in the oven for baby and me.**

**One, two, buckle my shoe;  
Three, four, shut the door;  
Five, six, pick up sticks;  
Seven, eight, lay them straight;  
Nine, ten, a good fat hen;  
Eleven, twelve, who will delve?  
Thirteen, fourteen, draw the curtain;  
Fifteen, sixteen, the maid's in the kitchen;  
Seventeen, eighteen, she's a-waiting;  
Nineteen, twenty, my plate's empty;  
Please, mamma, give me some dinner.**

**Bah, bah, black sheep,  
Have you any wool?  
Yes, marry, have I,  
Three bags full:  
One for my master,  
And one for my dame,  
And one for the little boy  
Who lives in the lane.**

Four little mice sat down to spin,  
Pussy pass'd by and she peep'd in;  
“What are you at, my fine little men?”  
“Making coats for gentlemen.”  
“Shall I come in, and cut off your thread?”  
“No! no! Miss Pussy, you'll bite off our head.”

There was a piper who had a cow,  
But he had no hay to give her;  
So he took his pipes and played a tune,  
Consider, old cow, consider!

There was an old woman  
Who lived in a shoe,  
She had so many children  
She didn't know what to do;  
She gave them some broth  
Without any bread,  
She whipp'd them all soundly  
And sent them to bed.

Hicory, diccory, dock,  
The mouse ran up the clock;  
The clock struck one,  
The mouse ran down,  
Hicory, diccory, dock.
